

You could save a life!

Individual and Group

Naloxone Training

Naloxone is a medication administered for known or suspected opioid overdose.

Participants will learn:

- How to identify an overdose
- How to administer Naloxone
- Rescue response

Each participant will receive Naloxone and a training device.

For more information or to schedule Naloxone training contact:

smartrecovery@kennethyoung.org

For recovery support services, please visit:

Take a picture with your phone camera

These services are funded in full or in part through a State Opioid Response (SOR) grant (T1081699) to the Illinois Department of Human Services, Division of Substance Use Prevention and Recovery (IDHS/SUPR) from the US Department of Health and Human Services, Substance Abuse and Mental Health Services (NHS/SAMHSA) and the Office of Adolescent Health (OAH).
